

**Compliance in respect to the Observations/Suggestions pointed in Academic Audit Report
for session 2021-2022**

In reference to the Observations of the Academic Audit Committee for the session 2021-2022, the following steps are taken by the institute. The institute has complied with most of the suggestions of the committee.

Deficiencies Identifies

1. Institute is in process of getting NAAC/NBA accreditation. Due to low enrollment of students during past few years due to COVID 19 effect, pre qualifiers for NBA were not met. The institute has started preparation for NBA/NAAC and shall apply in short span of time.

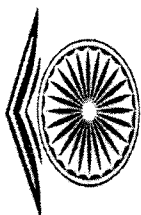

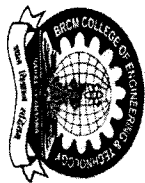

We are working on parameters of the accreditation body.

2. Institute is currently is process of hiring more faculty members with Ph.D. And many of our faculty members have enrolled for Ph.D. Course and some of them have their Thesis Submitted. A list of faculty members with Ph.D. hired after last inspection is attached along with members of faculty whose Ph.D. Thesis is submitted and about to submit. (Annexure 1)
3. Faculty members are encouraged to engage in more research work. To comply with institute organized a scopus indexed conference with IEEE so that faculty members get more options for publication. (Annexure 2)
4. Faculty members are encouraged to attend Faculty development programs and involvement is increased in current Year. Also some faculty of institute is even engaged is taking expert sessions at various FDPs (Annexure 3)
5. Institute is keen to start own journal, soon, we have started an annual Institute Technical Newsletter "Tech Unlock" from this year already. (Annexure 4)

Overall Observations and Recommendations

6. Institute has deep concern over admission count and working hard towards creating awareness among students in local area through digital campaign and other modes to aware them of admission process and institute USPs.
7. Covered under point 2 above.
8. Covered under Point 4 above
