Institute Policy for Faculty to pursue Higher Education in Relevant Discipline

The Institute has been putting its continuous efforts in enriching the Faculty with the latest developments in technology and providing them support in upgrading their technical skills. Leave may be granted to faculty members on such terms as may be prescribed by the institute time to time to enable them to study scientific, technical or similar programs or to undergo higher education including Ph.D. Such leave is not debited against the leave account. This order is in pursuance of the earlier order no. BMIET/2014/470 dated 31/12/2014. The revised policy of the institute for the faculty to pursue higher education is given as under:

- 1) The faculty member should have completed regular service of 2 years in the institute before the date of joining the program.
- 2) The faculty member shall apply for study leave through proper channel.
- 3) From One department only 2 faculty members may apply or shall be allowed to take this study leave.
- 4) The faculty member may be granted a study leave to pursue higher education in relevant field upto a period of 3 years only.
- 5) The faculty member shall not be eligible for any salary during this period. Salary shall be reimbursed to the faculty member after completion of the course for which leave was taken.
- 6) The Faculty member may be called for any institute work from time to time.
- 7) Date of increment will not be affected due to this leave without pay.
- 8) This period of leave shall be treated as active service for the purposes of promotion under CAS and retirement benefits provided that the faculty rejoins the institute on expiry of study leave.
